

automotive interiors EXPO EUROPE

November 12, 13 & 14, 2024
Messe Stuttgart, Germany

SPONSORSHIP PROGRAM

Automotive Interiors Expo sponsorship program provides additional opportunities to enhance visibility and reach prospective visitors and delegates before, during and after the event. **We are happy to discuss creating bespoke sponsorship packages or tailoring existing activities to suit your specific needs.**

Sponsorship Packages

Packages offer sponsors high-profile association and endorsement. If they are taken up at the start of the campaign you are ensured maximum exposure. This is an all-encompassing package that will profile your company to prospective visitors and attendees in association with all elements of the event before, during and after it takes place.

Visual branding opportunities at the show

Visitors and delegates are at their most receptive while they are at the show. This is also when they have a wide selection of products and services to choose from. We can help you attract more visitors. On-site branding opportunities will help to take your messages and images beyond your booth, giving you the edge over competitors.
